

We are delighted that we will be running a three day Design Camp this May half term in association with the Hammersmith BID and the London Festival of Architecture. Our theme will be People and Places and our all the work produced will be displayed in an exhibition in the Lyric Theatre in Hammersmith for the month of June. The camp will run in St Paul's Primary School W6 from Tuesday 26th to Thursday 28th May, starting at 10am and finishing at 3.30pm every day.

45 places will be available on the camp to children in KS2 and KS3.

Workshop A is Characters led by Artist **Sara Ekenger** for Y3, Y4 & Y5

The group will be designing and making people to inhabit Hammersmith. They will generate drawings and design and make their own puppets including costumes, and mainly made from wood, papier- mache and textiles.

Workshop B is Hidden Hammersmith led by Design Graduate **Beci Callow** for Y4, Y5 & Y6

Children will research, design and make a model of their favourite local building or location which will be integrated on to a large map of the area. Working with wood, plastics, silicon and metal this workshop will offer a fascinating overview of the designing process.

Workshop C is The River led by Engineer and Architect **James Woodcock** for Y7, Y8 & Y9

Pupils will explore Hammersmith's connections with the River Thames and re design the river front using recycled materials to create an installation piece in a local park. This will then be moved to the Lyric for the final exhibition.

The cost of the Camp is **£75** for the three days. This includes all tuition, all materials and a snack and drink at mid-morning break. You will need to provide a packed lunch. There are a small number of concessionary places available for children in receipt of free school meals at the price of **£25** for the three days.

If your child would like to join the Camp, please complete and return the slip below, either to the School Office at St Stephens Primary, or email programmes@designededucation.org.uk to register your interest. Please do not send any money at this stage. We will then send your child an Application Form via their school or by email for them to complete with you. We believe that it is very important that they can show a genuine interest in designing and making things, and that this is a holiday activity that they themselves have chosen to do.

If you have any queries or concerns, please email programmes@designededucation.org.uk .

Kind regards, The Design Education Team

Please can you send a Pupil's Application Form & Parent's Consent Form for Easter Design Camp to:
